WASHINGTON DC 20007

In re Application of :
Wakizaka : LETTER REGARDING PTA
Application No. 10/031,344 :
Filed: May 10, 2002 :
Atty. Dkt. No.: 037267-0142 :

This letter is in response to the "COMMUNICATION REGARDING PATENT TERM ADJUSTMENT," filed March 3, 2008. The Office thanks applicants for their good faith and candor in bringing this to our attention.

The Determination of Patent Term Adjustment mailed January 24, 2008 indicated that the above-identified application was entitled to a patent term adjustment ("PTA") of 1019 days. Applicant indicates that this adjustment disagrees with applicant's calculation of the period of adjustment.

The correct Patent Term Adjustment ("PTA") at the time of the allowance is 930 days.

As indicated in the Determination of Patent Term Adjustment mailed January 24, 2008, an overall adjustment of 1019 days can be attributed to the Office.

Further review of the calculation of adjustment reveals that the Office neglected to assess a reduction in connection with the RCE filed November 13, 2007. In accordance with 37 CFR 1.704(b), the adjustment of 1019 days is reduced 89 days. The reduction commenced August 17, 2007, the day after the date that is three months after the date that the final Office action was mailed, and ended November 13, 2007, the date that the RCE was filed.

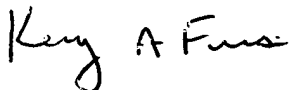

Accordingly, at the time of allowance, the application is entitled to an adjustment 930 days (adjustment for Office delays totalling 1019 days less reductions for applicants delays totalling 89 days).

As applicants are advising us of a potential error in providing too much patent term adjustment in this application, no fee is due in connection with this matter.

The patent term adjustment indicated in the patent will include any additional patent term accrued pursuant to §§ 1.702(a)(4) and 1.702(b).

This application is being forward to the Office of Patent Publication for issuance of the patent.

Telephone inquiries specific to this matter should be directed to Petitions Attorney Alesia M. Brown at (571) 272-3205.
